# Women Helping Women: A Biblical Guide To Major Issues Women Face

## Synopsis

Women Helping Women is a one-of-a-kind resource written for Christian women who desire to share with other women the comfort, hope and encouragement the Bible has to offer in response to the problems of today--problems related to difficult marriages, infertility, divorce, addiction, singleness, dietary habits, rebellious teens, single parenthood, marriage to unbelievers, scare of dying parents, rebellious teens and more. For every one of the major life issues covered in the book, you'll find clear biblical advice along with consistently practical guidelines for bringing about true change. Counsel that is based on God's Word is more powerful than we can ever imagine. God created us and knows us completely, and only He can provide us with true freedom, peace, and joy. A powerful resource for every woman who desires to counsel--whether a caring sister in Christ or a trained professional!

## Customer Reviews

Elyse Fitzpatrick is the head of Women Helping Women Ministries and holds an MA in biblical counseling from Trinity Theological Seminary. She has authored more than a dozen books, including Love to Eat, Hate to Eat. She and her husband, Phil, have three grown children as well as grandchildren. Carol Cornish has an M.A. degree in Biblical Counseling from Biblical Theological Seminary. She has taught courses in biblical counseling and has extensive experience in helping to counsel women, couples, and families. Carol is presently a staff counselor at her church and is a frequent speaker at women's seminars and retreats.

I had borrowed this book from a friend and referred to it so much I decided that I needed one of my own for reference. I do a lot of counseling and found it very helpful and Biblically based. I like the layout, a real life case study is presented then every question concerning that issue is examined in light of what Scripture says. Strategies for counseling are presented with Scriptural reference and application. Also several reading recommendations are listed in the back of each section. The counseling strategies are challenging and cover areas that are usually avoided like: Single teen mothers, post-abortion issues, adoption and overeating. I would highly recommend this book for self improvement and counseling others.

Biblically based, but sometimes loses sight of grace and how to apply Biblical truths to very difficult real life situations. I wouldn't throw the baby out with the bath water. Just be discerning and understand that sometimes a circumstance requires a bit more understanding than the black and white scenarios provided.

Extremely helpful book. It was so full of Biblical truths, advice and promises to help one through life's difficult situations.

...and it is a book that counsels within context and does not distort scripture. Biblical and it addresses the issues of the heart.

great resource for those in ministry or those who just want to help other women.

Awesome book

The "look inside" feature of this book was extremely helpful in determining if this book was going to cover the topics that I was researching. The topics included in this book are common issues that women face and provided the insight and direction necessary to help ladies through these issues through the power of the Word of God to change lives. It was awesome!

very practical answers to difficult life situations. Does not just give you Bible verses, it gives the how to and application of the Scriptures.
