Mitchell Symons is the author of *Why Girls Can't Throw*, as well as *This Book*, *That Book*, and *The Other Book*. The creator of dozens of crossword, trivia, and humor books, Symons is a columnist for London's *Sunday Express*.

Fun book. If you are not a big reader and like to read short stories or small bits of information at a time it is the perfect read. I kept it in my car for a while so when I had to go to doctors appointments I would have something to read.

This book is great to take to your doctor's waiting room. It's great for those of us with ADHD that don't have a long attention span. No long chapters and no plots to remember from one chapter to

another. I thoroughly enjoy this trivia book. One of the other trivia books in this series has a bit too much celebrity info in it but this one is great. I just wish it was a paperback or softcover.

There is no doubt about it- 'THIS BOOK' is just simply brilliant. There is so much information that you have ever wanted to know contained within it's humble cover- most of it is useless, but imagine you went on a quiz show- 'THIS BOOK' would do wonders for you. I was reading THIS BOOK for hours without eating, letting my thirst and hunger for knowledge overtake my hunger and thirst for food. I highly recommend that you buy it.

I've just got this wonderful book and I can't put it down! I think I may leave it in my gym locker just to encourage me to go there!
