Alpha Male (A Real Man, 14)

Synopsis

LAYLA For the last two years Lachlan has been my personal bodyguard. Although I don't feel in danger and don't need someone constantly watching me, because it's Lachlan, I can't help but feel safe. I love him. He is big and strong, with training that makes him deadly. Anyone who is stupid enough to cross him learns that swiftly. But I'm too afraid to tell him how much I want him. I'm too afraid to tell him that I crave him. LACHLANI was hired to be her bodyguard, to make sure she was safe because her father is a senator. But even if her father hadn't hired me, I wouldn't have been able to leave her alone. I love her, want her as mine, and I need to show Layla that she was meant for me. I need to show her that if anyone looks at her, speaks to her, or thinks they have a right to touch her, I'll lay them out and not think twice. She is my world, and no one but me will have her. I'm done waiting. It's time I make Layla mine. Warning: Have a neck brace on hand because this story will give you whiplash. It's short and to the point, but that's how we like them. It's not lacking in the heat department, has an over-the-top alpha hero, and a sweet virgin heroine. No worries, though; you get a safe read with a Happily Ever After and some baby making in the process.

Customer Reviews

I love Jenika Snow's A Real Man Series, and this is a great addition to it. Just as the title states, Alpha Male is about an over-protective, obsessed alpha male body guard and the virginal daughter of a senator that he protects. She's as in love with him as he's in love with her, and that makes for one steamy combination when this Alpha Male decides it is time to claim his woman. If you're looking for a realistic depiction of a love story, look elsewhere. This is quick and sexy escapism reading right here, folks, and that's a-okay.

Jenika has done it yet again. I can always count on the alpha's being sexy and the leading lady to be accpeting of the man. Lachlan had been Layla's bodyguard for a while and has pretty much had a thing for her since day one. Layla has had a crush on Lachlan just as long. Their time together starts out with him saving her from a party and things get heated very fast. If you want short, sexy, and all in all a great read Jenika's real man series is the way to go.

Alpha Male - Jenika SnowAnother great story in the "AReal Man series. I liked both of the main characters, Lachlan and Layla. It was pretty much a given as to how it would happen when they got together, but definitely a feel good ending.

This is a short story in the Real Man series about a man finally claiming the woman he's watched, protected and wanted. Layla's dad is a senator and Lachlan is the bodyguard hired to protect her. I liked the story well enough, but it felt too rushed and the characters' thoughts were a little repetitive. We don't really get to know them and then all of a sudden it's over.

Lachlan a tall sexy body guard hired to protect the senators daughter, Layla. But all he wants to do is take her to his bed, he wants her desperately. Little does he know Layla has been having naughty thoughts about him. When the chemistry gets too hot to handle, the fireworks go off between these two. Short story with lots of hotness !!

Lachlan is Layla's bodyguard but he wants to be a whole lot more! Being a senator's daughter, Layla has been kept on a short leash but really wants to cut loose with Lachlan. Short, sexy and

right to the point! If you're a fan of instant love and hot sex, this is the book for you!

Two years of unacknowledged burning lust, desire & passion - you just know when things boil over it's going to be hot! Lachlan was alpha with a capital A... the things he says are just as caveman as the things he does. At one point there I was like Layla - stop talking & just do it already! LOL.

This was sweet and sexy and full of angst. We didn't jump right into things, even though they were always together and could have taken things to another level. When feelings are revealed though....Lachlan comes out guns blazing.
