The Lost Keys Of Freemasonry Or The Secret Of Hiram Abiff: Foundations Of Freemasonry Series

Synopsis

Manly P. Hall, masonic and esoteric scholar, traces the path followed by initiates to the ancient craft. Hall also recounts the ethical training required of a Freemason, and he profiles the character traits a Mason must "build" within himself. More than a mere social organization a few centuries old, Freemasonry can be regarded as a perpetuation of the philosophical mysteries and initiations of the ancients. This book reveals the unique and distinctive elements that have inspired generations of Masons. Thoughtful members of the craft, as well as outsiders, will appreciate its exploration of Masonic idealism and the eternal quest, from humble candidate to entered apprentice and master Mason.

Customer Reviews

Hall is truly gifted, though dry at times. A recommended read for any serious student of Freemasonry who is seeking genuine information and background, not looking for sensational BS

Great read. My only feedback would be that it came to me as paperback and the description claimed it as hardcover.
