The Rough Guide To Norway (Rough Guides)

Synopsis

This in-depth coverage of Norway's local attractions, sights, and restaurants takes you to the most rewarding spotsâfrom the Troll Wall to fjords to museumsâand stunning color photography brings the land to life on the pages. Discover Norway's highlights, with expert advice on exploring the best sites, participating in festivals, and exploring local landmarks through extensive coverage of this fascinating location. Easy-to-use maps; reliable advice on how to get around; and insider reviews of the best hotels, restaurants, bars, clubs, and shops for all budgets ensure that you won't miss a thing. Make the most of your time with The Rough Guide to Norway. Series Overview: For more than thirty years, adventurous travelers have turned to Rough Guides for up-to-date and intuitive information from expert authors. With opinionated and lively writing, honest reviews, and a strong cultural background, Rough Guides travel books bring more than 200 destinations to life. Visit RoughGuides.com to learn more.

Customer Reviews

With roughly 19 hours of light in the summer this book can easily be read outdoors at 10 pm. A great general guide to an incredibly unpretentious and beautiful country. Just go. No book, tv show, or picture can fully describe the country.

Great Guide to Norway - an excellent supplement to the DK Eyewitness Guide.

It's a great time to travel, and to be a travel guide enthusiast. Several series are out there to earn your business, and that makes them all really good products depending on your tastes and purposes. Rick Steves concentrates almost exclusively on Europe, and he distills each destination down into its fundamental sites. Lonely Planet is the ultimate encyclopedic guide. They cover everywhere and everything, for every class of travel - luxury to shoestring. Rough Guides put a special emphasis on cultural contexts, as well as being comprehensive in coverage. This one is no exception. Absolutely everything is here, but it's presented in a way that gives you insight into the cultural significance and the history behind it. Not too long ago Rough Guides were losing their way, looking for a strategy in an extremely competitive book market. The new series is great. This one on Norway is fantastic. Right up to date. A nice balance between heritage and eco tourism. Comprehensive listings, with a slight bent toward budget rather than luxury. All of this is bound together with the contexts you expect in guides like this, recommended sites and itineraries, history, language, packaged in a nice thick, sturdy softback with lots of color and great maps.

Great info

Awesome details about Norway and up to date!
